

**ISSA ANNUAL GENERAL MEETING
JANUARY 25, 2003**

TCSL President Bob Becker and the undersigned attended the meeting.

President George Chazaro stated the condition of the Association is good. He stated that the money owed the IRS (\$50,000) has been paid. During the meeting George recognized the Tri-County League and its support of soccer and ISSA.

ISSA reiterated its annual recommendation to the affiliated Leagues that they not use non-certified referees for their games. They again requested that they be notified of which league(s) used non-USSF certified referees for their games.

An amendment to the ISSA Constitution was voted in, eliminating the Recreational Leagues that had existed prior to the change that USSF directed last year. The US Amateur Soccer Association, part of US Soccer Federation, is now known as the US Adult Soccer Association. ISSA is offering an adult coaching clinic, at the cost of \$140.
